DETAILED ACTION

In response to the communication filed on December 23, 2005, claims 7-13 are active in this application.

Applicant's election of Species I in the reply filed on December 23, 2005 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)). Accordingly, claims 14-20 are withdrawn from further consideration by the examiner.

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

This application is in condition for allowance except for the presence of claims 1-6 and 14-20 directed to invention and species non-elected without traverse, respectively. Accordingly, claims 1-6 and 14-20 have been cancelled.

Re claim 7, line 9, inert -vias—after "blind"

Reasons For Allowance

2. Claims 7-13 are allowable over the prior art of record.

3. The following is an examiner's statement of reasons for allowance: Applicant's arguments have been considered in view of amended claim 7 and subsequent to an updated search of relevant prior art, are persuasive. This application is therefore allowed for reasons deemed to be of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
